That's right, we're doing a Monthly Newsletter!

Welcome to "the downtown dish" newsletter! We are thrilled to share with you the latest going on's and relevant info to our Downtown Members.

In addition to this newsletter, please ensure your email address is up to date with us so you continue to receive our e-blasts - our primary form of communication.

You may have noticed some staffing changes within our organization as of late. Morgan Lonsdale, BIA Manager and Amanda Patriquin, BIA Coordinator are back in the office and excited to be back downtown!

The BIA office is located at 8 West St, Unit 4 (upstairs) but we are often on the street, popping into business, attending meetings, generally movin' & shakin' to make downtown awesome!

We are always happy to stop for a chat, hear your ideas + work together to solve them! Please reach out anytime.

As we endeavor to bring you this monthly newsletter, please send any/all ideas our way! If you have something you'd like to share with your downtown neighbors, we'd love to hear it!

The BIA Staff, Board of Directors and YOU are making a real difference on our streets and together - the skies the limit!

Enjoy this month's newsletter!

Morgan & Amanda

In this newsletter you can expect:

Downtown Dollars

Gift certificates produced by the BIA
that are redeemable for products and
services in downtown shops and
service providers.

Downtown Dollars never expire and
are redeemable at more than 120
shops and services downtown!

They can be purchased through the
BIA, at Pharmasave or Reflections of
Muskoka.
